

Have a Relaxing Labor Day!

Let's celebrate the labor that built up
this great land from field to field to
desk to desk
They built it hand in hand.

Observed on the first Monday in September, Labor Day pays tribute to the contributions and achievements of American workers. Created by the labor movement in the late 19th century the date became a federal holiday in 1894. Today Labor Day also symbolizes the end of the summer for many Americans and is celebrated with parties, parades and athletic events.
